## UNDERSTANDING OFFICE VISITS AND BILLING PRACTICES

PEEKABOO PEDIATRICS is committed to providing and maintaining the best possible care for our patients. Your review of billing practices in advance allows for good communication and common understanding.

**Insurance company billing policies dictate that we differentiate between two types of services.**

- ◆ Wellness Services
- ◆ Problem Oriented Services

**What may be included in Wellness Services? (also known as Preventative Visit or Physical/Well Child Check)**

- ◆ Age appropriate history
- ◆ Preventive counseling (e.g. proper nutrition)
- ◆ Age appropriate medical exam
- ◆ Review of vaccine history
- ◆ Anticipatory guidance (e.g reducing fall risks)
- ◆ Review and interpretation of any recommended labs

**What other Wellness Visit Related Services that may/will be billed separately?**

- ◆ Vaccine products
- ◆ Vaccine administration services (including counseling)
- ◆ Routinely recommended labs
- ◆ Screenings (e.g, Vision, Hearing, Developmental Screens, Depression Screen, Postpartum Depression Screen)

During Wellness Visits we perform ALL RECOMMENDED SCREENINGS APPROPRIATE to age and gender and seek to uncover any conditions that would lead to suboptimal health in the years to come. These screens are RECOMMENDED BY THE AMERICAN ACADEMY OF PEDIATRICS. The use of screening tools also allows us to begin treating conditions in their earliest stages. ***These screens are considered a problem oriented service by most insurance plans and therefore may generate cost sharing in the form of a copayment, co-insurance, and/or deductible.***

*The Affordable Care Act* makes many wellness and/or preventative services covered in full by most insurance plans. However, this is not true of many problem-oriented services. Management of medical diagnoses, including the need for medication refills of any sort, are categorized by insurance companies as problem-oriented services. Evaluation and/or management of **any complaint and/or symptom** offered by a patient or identified upon questioning during a wellness exam constitutes a problem-oriented service which may result in your insurance company processing your claim using both wellness benefits and problem oriented benefits.

### Problem Oriented Services

Some common examples of problem –oriented services include but are not limited to:

- ◆ Illness addressed (ears, eyes, nose, throat, cough, fever, etc)
- ◆ Chronic conditions addressed e.g., obesity, asthma, ADHD/ADD
- ◆ Suture/Staple Removal
- ◆ Allergy Shots
- ◆ Follow-ups: Newborn weight checks, Ear recheck, etc.
- ◆ Behavior Concerns

Examples of screening services include but are not limited to:

- ◆ Cholesterol, Lead, Hemoglobin Screening
- ◆ Hearing screening
- ◆ Developmental Screenings (ie: 9, 12mo questionnaires)
- ◆ Spirometry
- ◆ Mental Health questionnaires
- ◆ Vision Screening
- ◆ Adolescent questionnaire
- ◆ Autism screening (MCHAT)

Examples of office procedures include but are not limited to:

- ◆ Urine dip/urinalysis
- ◆ Rapid Strep Test
- ◆ Rapid Monospot Test
- ◆ Pregnancy test
- ◆ Hemoglobin Test
- ◆ Rapid Fllu, RSV
- ◆ Lipid Panel
- ◆ Nebulizer treatments
- ◆ Umbilical Cauterization (Silver Nitrate)
- ◆ Fecal occult test
- ◆ Hearing screen

**\*\*all laboratory, radiology and/or pathology services performed or referred by our providers may result in additional bills and/or charges from other companies that may include but are not limited to: such as Quest, Labcorp. You may receive separate billing statements for these services.**

Our medical practice wants to provide the most up to date, comprehensive care possible, which is why we address these issues during wellness visits. Additionally, we try to eliminate the need for the patient to return to the office, whenever possible.

**It is the responsibility of the policy holder to be aware of their insurance plan’s benefits and coverage. Deductible, copay, coinsurance or out of pocket expenses agreed upon between you and your insurance company are out of our control**

## **Financial Policy**

Thank you for choosing Peekaboo Pediatrics as your healthcare provider. If you have any questions we will be happy to discuss our fees and policy with you anytime.

Payment for services is due at the time services are rendered. For any portion of your balance that is not covered by insurance, or for our private pay patients, we accept cash, check or credit card.

### **Insurance Policy**

We participate with most insurance plans. Each insurance policy is different and it is therefore impossible for us to know what are your particular benefits may be.

1. Your insurance policy is a contract between you (your employer) and the insurance carrier. We are NOT a party to that contract. Our relationship is with you. We cannot become involved in disputes between you and your insurer regarding deductibles, co-payments, covered charges, secondary insurances, and "usual and customary charges". Therefore it is important to contact your insurance company if you have any questions regarding your benefits and for you to know what your payment obligations will be at the time of service.
2. If your insurance company does not pay your claim within 30 days, it is your responsibility to contact your insurance to expedite payment. If your insurance company does not pay within 60 days you will be responsible for payment.

### **Copayments and Deductibles**

1. Depending on your insurance policy, a copayment and/or deductible may be required at the time of service. These payments are expected at the time of service. Payment may be made in cash, by check or by card. We also accept Health Savings Account (HSA) cards for payment.
2. Please note that the copayment is a contractual requirement from the insurance company and cannot be written off by the office. If you participate in a High Deductible Health Plan (HDHP) and have not yet paid your deductible in full, it is likely than any non-preventive service will require payment at the time of those services are rendered.
3. All charges are your responsibility whether your insurance company pays or does not pay. Not all services are a covered benefit in all contracts. Please check your insurance plan or document for any questions.
4. Copayments NOT PAID at the time of service are subject to a \$10 processing fee. All balances more than 60 days past due are subject to a penalty of \$10 per month to cover the cost of sending additional statements.

Please ensure that if you are unable to bring your child in yourself, whoever brings the child in is prepared to make all payments.

821 N. 2nd St.  
Philadelphia, PA 19123  
Phone: (267) 7023850  
Fax: (267) 8584617

**Checks**

1. Returned checks and balances older than 90 days may be subject to collection placement and collection fees which will be charged to the responsible party.
2. There will be a \$25 NSF charge on all returned checks

**Overpayment**

Occasionally payment results in overpayment on your account and generally this balance remains on your account as a credit for use at a future visit. You may request a refund of overpayment by notifying the Office.

**Credit Card On File**

In order to make sure that we can collect your portion of the bill once your insurance company processes the claim, we require that a valid credit card be kept on file with the practice. Your card will only be charged the outstanding amount that your insurance company determines to be 'patient responsibility', as spelled out in your Explanation Of Benefits (EOB). You will be notified prior to any charges being placed on your card. Once your card is charged, a receipt will be sent to you by email.

**Appointments**

Missing an appointment without giving prior notice to the practice deprives other patients of the chance to take a slot that opens up. We require notice of at least 1 business day for all cancellations. Failure to notify the office in a timely manner more than once may result in a no show fee of \$25 which will not be covered by your insurance plan.

We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate with our office any such problems so that we can assist you in management of your account with a payment plan.

Again, Thank You for choosing Peekaboo Pediatrics. We appreciate the opportunity to serve you.

I have read and understood the above policy and agree to it.
